GESTURE FOR NATURE

TRACKER.ALMIGHTYTREE.CH

THIS CERTIFICATE IS AWARDED TO

Z-SYSTEMS AG

FOR AN ESSENTIAL CONTRIBUTION
TO REFORESTATION PRESERVATION
OF BIODIVERSITY AND THE
DEVELOPMENT OF
SWISS FOREST

Almighty Tree is committed to preserving, protecting and enhancing our Swiss forests and landscapes. Together with Swiss forestry experts, farmers and biologists, we focus on reforestation and the preservation of biodiversity through several actions: the planting of new trees with a selection of species according to region and needs; the preservation of habitat trees and natural hedges for biodiversity.

LOCATION OF PLANTATION
BERN - FRIBOURG - VALAIS
